

## **Welcome to the 24<sup>th</sup> annual ROCKY MOUNTAIN MUSTANG ROUNDUP!**

Once again we are lucky enough to be in beautiful Steamboat Springs for another fun filled weekend!

For the tenth year the city of Steamboat is providing volunteers to do the judging. Please remember that they are not Mustang experts so they will not be judging to a concours level. They will be looking at your Mustang but they are instructed to do just that. Look. Our goal is to organize a fair and fun competition. We will do our best to meet that end; however, all judging decisions will be final. The results of the show judging will not be made public.

Each pair of judges will inspect every car within a specific class, promoting better judging continuity. Your car will be graded using a five-point scale, focusing on cleanliness, craftsmanship and attention to detail. The judges will evaluate the engine, interior, exterior, wheels/tires, and overall appearance. Each category is worth 5 points for a maximum of 25 points. We encourage you to leave the hood, windows, and trunk open, as extra points will given for cars with those areas detailed. Extra consideration will also be give to those cars, which participate, in the scenic tour and/or the autocross.

Again this year current year Mustangs will not be judged but rather given recognition based on a popular vote.

The ROCKY MOUNTAIN MUSTANG ROUNDUP committee depends to the entrant's honesty as to which class their Mustang should be entered. Please do not enter a fully restored Mustang or a very nice survivor Mustang in the up and coming class. If your car has some modifications and you cannot decide which class it belongs, stock or modified, enter it in the modified class.

The ROCKY MOUNTAIN MUSTANG ROUNDUP committee wants to make this the best event possible so that you have a fun weekend to remember. We ask that if you have any concerns, questions, or most of all suggestions please let us know. We will do our best to resolve any problems about the event that come up. I will be manning the judge's table in case anyone needs assistance.

I hope you have as much fun as I do at the ROCKY MOUNTAIN MUSTANG ROUNDUP. I look forward to seeing you again next year and please tell your fellow Mustangers about our show!

Thank you for coming to our show!

Judging Chairperson
